

Name: _____

Shape Scavenger Hunt!

Directions: Find 1 triangle, 1 square, and 1 circle with an outline that can be easily traced. You will need a separate sheet of paper to complete this activity. A parent can also cut these out of paper or cardboard!

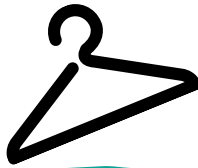

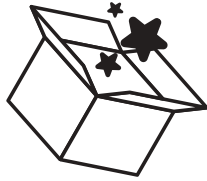

Circle

Square

Triangle

1. Trace each shape by itself.
2. Try to overlap the shapes. Color each shape a different color. Color where the shapes overlap a third color!
3. Experiment with different sizes!
